## Linton, Wetherby, Private Residence

---

**Client:** Private  
**Architect:** DLA

**MSJ Commission: Structural design and detailing. Drainage design.**

The project consisted of a 2 storey extension incorporating a swimming pool and providing a 15m x 6m master bedroom with balconies. The structure included a steel frame, load bearing masonry, concrete retaining walls and reinforced concrete pad and ground beam foundations onto a fissured rock foundation. Feature oak roof trusses were installed to the bedroom with stainless steel connections and ties.

Melia Smith & Jones were commissioned to design and detail the sub- and superstructure elements of the buildings and drainage for the scheme.
