## Princes Quay Shopping Centre – Hull

---

**Client:** GVA Grimley

**Architect:** DLG Architects

**MSJ Commission:** Structure and Civils design and detailing

The project involved the refurbishment of retail premises and included: infilling a floor void to increase retail space; support for new glazing and signage and a new external decked area for restaurant seating.

Melia Smith & Jones were commissioned to design and detail the superstructure elements of the buildings alterations, which also included carrying out a structural survey of the existing building.
